Hello Sister,-

"Fancy" finding a package for me today! - A small one that came first class - forwarded from B.T.C.! - Thanks so much for the chewing gum. It sure will come in handy. - We chew quite a bit of it - guess it's the lack of sweets. - And then too whenever we fly it's usually high enough so that it helps our ears when we come down - and over the targets - well, we just give the gum "hell"! - We really need no excuse for chewing it then! - But how did you get ahold of it. - so much? - Don't deprive yourself of anything cause we can usually get ahold of most of our needs.

I also got your V mail today of July 12th. - It's the first one I've gotten addressed directly to our group here - so that isn't bad time - 16 days. I'm anxiously waiting your real "sho nuff" letter. - V mails are swell - but the real thing is a lots better. So we all prefer a mixture - V mails for speed and regular mail for satisfaction!

Thanks, too for taking care of Janet's & Brother's present, - but again - you shouldn't mark the best thing from Me. - After all - you're doing the work so why not get the credit? - Gotta go now - there's a movie tonight - don't know what, but what difference does it make - we see 'em all anyhow! Be good and don't forget to get your present from the money order I sent!

Love, Frank
